

Accessibility Services

CESA 6

2025

Presented by:

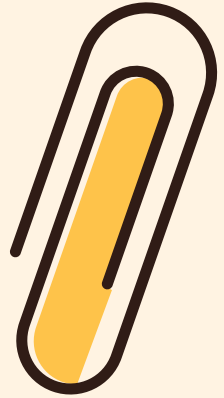

Lauren McLaughlin, M.A.Ed.

Accessibility Coordinator at Marian University

Accessibility Services

The role of Accessibility Services is to facilitate access to campus programs and services for students with disabilities or impairments.

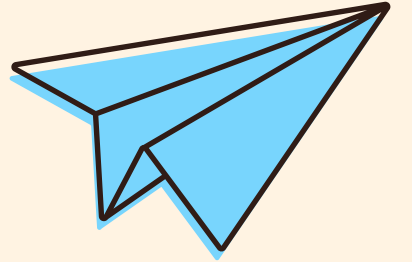

Collaboration with students

Assist students to identify learning or environmental barriers and brainstorm possible accommodations to create access

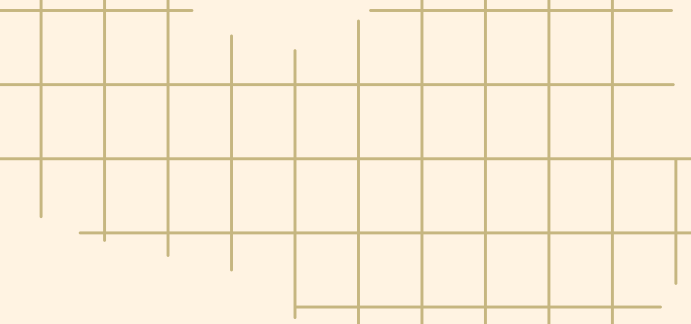

Training

Provide education to faculty about federal laws, policies, and rights/responsibilities

Consultation & Support

Provide information to students and faculty about accessible learning environments, course materials, resources, or strategies

Process for Obtaining Accommodations

Contact Accessibility Coor. to schedule an initial meeting

During this meeting, students will be asked to disclose their disability/impairment and provide details as to how they are being impacted and what needs they require.

Provide Documentation

*Documentation of a disability or impairment is required to verify the need for requested accommodations.
i.e. letter from a care provider or High School IEP/504 Plan*

Determine Eligibility

Eligibility for reasonable accommodations will be determined based on student's self report, documentation, and professional judgement.

Accommodation Notice

Student's will be asked to sign the Accommodation Notice to verify they understand their rights and responsibilities related to the accommodations along with a Confidentiality Agreement.

Thank You!
