

MARIAN UNIVERSITY

Memorandum

To: Marian University Traditional BSN Students

From: Marian University Nursing Department Committee

Date: April 13, 2026

Re: Amendments to the 2025-2026 Nursing Department Student Handbook

This memorandum serves as official notification of one policy amendment to the 2025-2026 Nursing Department Student Handbook. This change was approved by the Nursing Department Committee on the date specified below.

1. Policy 19.2.1 Repeating Sophomore II Courses (Approved April 10, 2026)

This update eliminates “If you are unsuccessful in one (1) Sophomore II nursing course, you must repeat that course and re-enroll for a grade (not audit) in NRS 250.” (p. 44)

The policy now reads:

“If you are unsuccessful in three or more Sophomore II nursing courses, you will be dismissed from the nursing program and will not be allowed to petition for re-entry.”

These changes are reflected in the updated handbook **2025-2026 Nursing Department Student Handbook v3 FINAL 04102026**. This handbook and memorandum will be emailed to current Sophomore II BSN students and posted in the MO2 resource pages for the BSN, RN-BSN, and MSN programs.
